

Job Description & Requirements – Security Officer (Passenger Cruise Ships)

Job Description

1. Ensure the safety, security, and order of passengers, crew, and ship equipment during both navigation and docking operations.
 2. Maintain a high level of readiness to prevent and respond to any potential threats, including:
 - Hostile or violent incidents involving crew or passengers
 - Terrorist attacks or bomb threats
 - Any activity that may compromise safety and order onboard
 3. Operate with modern security equipment and technology, with comprehensive training provided by the company.
 4. Standard working schedule:
 - Average of **10.5 hours per day** (up to 14 hours when required)
 - Maximum of **72 hours per week**
-

Basic Requirements

1. Previous experience in **military, police, or security services**.
 2. **Clear criminal record** – mandatory.
 3. **Proficient English language skills** – mandatory.
 4. **Professional appearance and good physical fitness** – mandatory.
-

Employment Conditions

1. All **transportation costs** (flights, hotels, transfers between vessels) are covered by the company.
 2. Comprehensive **medical insurance** is provided.
 3. Standard contract: **6 months onboard**, with no official days off. Security officers have rest periods both onboard and ashore, though not structured as full days off.
 4. All **basic welfare provisions** (meals, drinking water, laundry, etc.) are provided free of charge.
 5. **Accommodation:** Two security officers per cabin. Each cabin is equipped with:
 - Two beds
 - Personal closets
 - Work desk and stationery
 - Private toilet and shower
-

Recruitment Procedure

1. **Initial screening** by the recruitment partner based on stated requirements.
 2. **First online interview** with shortlisted candidates.
 3. **Second online interview** for final evaluation.
 4. **Online Security Guard training** provided prior to deployment.
-

Pre-Embarkation Requirements

1. Completion of required **medical examinations and vaccinations**.
2. Company-financed and arranged training & certification, including:
 - **Basic Safety (STCW)**
 - **SSO (Ship Security Officer)**
 - **Crowd Management**
